OBJECTIVE

Student, driven by a constant desire to ascend and excel. With inherent leadership qualities and critical thinking abilities, I Thrive in collaborative environments and possess strong problem-solving skills, with a keen interest in learning and adapting new technologies.

EDUCATION

B.Tech, Electronics And Communication Engineering

Anil Neerukonda Institute Of Science And Technology(A)

C.GPA:8.92

2021-present

INTERMEDIATE EDUCATION

Sri chaitanya Junior College

Score: 97%

2019-2021

SSC

Sri Chaitanya Techno School

C.GPA:10.0

2018-2019

SKILLS

Technical Skills Java, problem solving using c, Basic DSA, DBMS, SQL Building

Soft Skills Quick learner, Problem solving, Strong Leader Ship, English Professional Proficiency

CERTIFICATIONS

Java programming from EDX

IOT On Your Arm from EDX

Embedded Systems from internshala

PROJECTS

Car Rental Management System It is a model system which helps to rent a car from vendor by collecting the customer details and vending details. It is developed by using oops concept in the java.

Digit Sucking Monitoring Device It is used to monitor the children whether they suck thumb finger or not, if they start sucking this device alerts the parents by beep sound and also with an alert message on app which is developed using appinventor. The parents can also save the data in an excel sheet.

E Notice Board It is a small IOT device which is used to display the message on an display wirelessly. It is implemented by using Bluetooth module, display and arduino.

Solar Vegetable Dehydrator(on going) It is an embedded based IOT project which helps the farmer to preserve their crops for long time by removing the moisture in the vegetables. Here we can monitor the entire process remotely with low working hand.

EXTRA-CURRICULAR ACTIVITIES

Irrespective for B.Tech, I am also pursuing my Honors Degree.

Completed all eight exams conducted by **Dakshin Bharat Hindi Prachar Sabha** in first class and awarded with a salwa as a appreciation.

Participated in 48 hours hackthon organized as AVISHKAAR powered by GREEK FOR GEEKS in tekkali and shortlisted in top 30 among 200 teams.

HOBBIES

Travelling Gardening Cooking
